

Speeding

The Go-Go's

I can't explain the way I feel
Each time I get behind the wheel
The rush of blood comes
As the power surges
And my right foot urges
The car to push on through the night

Driving faster
Driving past the scenery
On pretty view and
Feel the speed and
I don't dream of
Driving slow some other time

One thing I'm certain that I know
All I want to do is go go go
Everything is rushing by
My heart is pounding deep inside
Got to match the engine's pace
Win imaginary race - yeah!

Driving faster
Driving past the scenery
On pretty view and
I feel as though I've
Got to control my
Reckless need to speed and speed
And speed
And speed
And speed
And speed...
