

## This Town

The Go-Go's

We all know the chosen toys  
Of catty girls and pretty boys  
Make up that face  
Jump in the race  
Life's a kick in this town  
Life's a kick in this town

This town is our town  
It is so glamorous  
Bet you'd live here if you could  
And be one of us

Change the lines that were said before  
We're all dreamers - we're all whores  
Discarded stars  
Like worn out cars  
Litter the streets of this town  
Litter the streets of this town
