## **Unforgiven**

The Go-Go's

Always tryin' to clean up my catastrophes Taking full responsibility Living my life like every day is the last Remodeling the wreckage of my past

But when it comes to you I know I said I do
But I don't, no I don't

You're unforgiven so go on living Knowing that I've unforgiven you And my thanksgiving Came the day I saw it was okay To unforgive you

Confessing every sin doesn't make me a saint Even though it's obvious I've changed Once I forgave you but I did not forget Now I'm taking back everything I said

You're unforgiven so go on living Knowing that I've unforgiven you And my thanksgiving Came the day I saw it was okay To unforgive you
