

## Milk Crisis

The Go! Team

We show it cause we know it  
And we know it always  
Its better to the letter  
Now everyday we can shake it in the spring time shake it in the  
snow  
It's ti- ti- ti ti time to go go  
You can call it what you wanna  
We call it freestyle  
It's uh uh uh all over the dial  
There's nothing to do so we'll go right now  
It's not about the knowledge its getting the know  
CHORUS

How can you move like a lion moves?  
Can you shake like a lion shakes?  
Can you pump like a lion pumps?  
Can you pump it up?  
I don't think so  
Can you shake like a lion shakes?  
Can you pump like a lion pumps?  
Can you pump it up?  
I don't think so
