

Milk Crisis

The Go! Team

We show it cause we know it
And we know it always
Its better to the letter
Now everyday we can shake it in the spring time shake it in the
snow
It's ti- ti- ti ti time to go go
You can call it what you wanna
We call it freestyle
It's uh uh uh all over the dial
There's nothing to do so we'll go right now
It's not about the knowledge its getting the know
CHORUS
How can you move like a lion moves?
Can you shake like a lion shakes?
Can you pump like a lion pumps?
Can you pump it up?
I don't think so
Can you shake like a lion shakes?
Can you pump like a lion pumps?
Can you pump it up?
I don't think so
