

Herculean

The Good, the Bad & the Queen

Standing on the dark canal
By the gasworks,
Celebrate the ghost gone by
When the love hurts.

And the medicine man here 24/7,
You can get it fast in Armaggeddon,
Everyone on the way to heaven
Slowly.

Call for prayer is comin' 'round here
In the morning.
Wash our faces go to work,
There is no warning

That it all gets better when life is straight,
It's bigger than you and the Welfare State
The wind keeps singing 'it's not too late
For you
