

Bean Bowl

The Gourds

flyin moth took what it could
yer half naked
moth did good
a rabbit jumps it
a sheep makes it
horse hockey
piggly wiggly
go cat go
and I want you to
crawl out of my bean bowl baby
little bit after midnight
dumb as rocks lie like a rug
temp agency
get you a job
left tackle
right guard
a lot of money
you don't have to work to hard
I want you to crawl out of my bean bowl baby
a little bit after midnight
nurse ratchett got sompin to say
I want my cigarettes
juicy fruit
hey capin' mouf Joe
he got sompin to say
stay away
from the evil dope
