

## Eyes Of A Child

The Gourds

It's true I am wicked, it's true I am mean  
I must have lost my way chasing a dream  
It's true I done things that I'm ashamed of  
But I still need tenderness and the warmth of love

I've come clean and I'm redeemed  
Since I have seen through the eyes of a child

It's true I am guilty, reputation is stained  
I stood up and admitted to my grief and my shame  
But I believe that a soul can right it's wrongs  
And in the sweet ascension of a redemption song

Sin it seems to win 10 times out of 9  
Forgiveness is not so deliberate  
And it takes an awful long time

Maybe the punishment don't fit the crime  
But judgement will come with the passing of time  
But I believe that a soul can right it's wrongs  
And in the sweet ascension of a redemption song
