```
Spent my whole paycheck

On the goddamn rent

And much more I can piss and moan about

Gonna piss and moan right outta here
```

Spent the whole damn day

In the goddamn house

Ain't much more I ramble on about

Ramble right on out here

Say you don't know
Where yer money goes
(lincoln, jackson, franklin)
I see yer (abraham, andrew, benjamin)
Wish I had me some of those

Spent my whole damn wad

On food and pot

Ain't much more that I have got

Gonna get it and get out of here
