

# What Was Going Through My Head

## The Grapes Of Wrath

Let me see through all the lights  
I know I'll feel better in time  
You shoulda told me a lie  
I tell you why, I don't know  
What was going through my head

Now things have cleared, I'm not dead  
Now that I've settled in bed  
You shoulda told me a lie  
I tell you why, I don't know  
What was going through my head

What if I walked off the line  
What if I never revived  
You shoulda told me a lie  
I tell you why, I don't know  
What was going through my head  
You know it should have been red  
You know I should have been lead

Down in deep inside  
I am safe and now and then I want to fly  
Away from everything  
on my own on my way through the night

I wake up I don't know where I've been  
And then I'll start over again  
You shoulda told me a lie  
I tell you why, I don't know  
What was going through my head  
I tell you why, I don't know  
What was going through my head  
You know it should have been red  
You know I should have been lead  
You know I could have been dead
