

Baby Hold On

The Grass Roots

You're such a natural woman
But you're so far away baby
Your love is driving me crazy
I'm coming home

I know you can't live without love
I know you're feeling so lonely
Save all your sweet loving for me
I'm coming home

I'm coming home

You gotta hold on babe, I'm coming home
So baby hold on
Don't throw your love away
I'm coming home, so baby hold on
Baby hold on

You're such natural woman
You know my feelings about you
You know I can't live without you
I'm coming home

I'm sorry I ever left you
I thought the free life was better
I know you won't wait forever
So baby hold on

I'm coming home

You gotta hold on baby, I'm coming home
So baby hold on
Don't throw your love away
I'm coming home so baby hold on, baby hold on

I'm coming home
I'm coming home

You gotta hold on baby, I'm coming home
So baby hold on
Don't throw your love away
I'm coming home so baby hold on

You gotta hold on baby, I'm coming home
So baby hold on
