

I'd Wait A Million Years

The Grass Roots

All of the lonely nights
Waiting for you to come, longing to hold you tight
I need you so desperately
Waiting for you to come bringing your love to me

But I'd wait a million years,
Walk a million miles, cry a million tears
I'd swim the deepest sea,
Climb the highest hill just to have you near me

As love is reality,
When you are near to me, I am in ecstasy
(whoa whoa whoa)
I'd swallow the pain and pride
Baby, I just can't hide all that I feel inside

And I'd wait a million years,
Walk a million miles, cry a million tears
I'd swim the deepest sea,
Climb the highest hill just to have you near me

A million years, I would wait for you
A million tears, baby, I'd be true
A million miles, I would follow you
A million years, if you want me to

Pacing the floor, detest
Sweat pouring down my chest, still I can't love you less
(whoa whoa whoa)
It's worth all the pain and pride
Baby, I just can't hide all that I feel inside

And I'd wait a million years,
Walk a million miles, cry a million tears
I'd swim the deepest sea,
Climb the highest hill just to have you near me

I'd wait a million years,
Walk a million miles, cry a million tears
(whoa whoa whoa)
I'd swim the deepest sea,
Climb the highest hill just to have you near me
