

## The Runway

## The Grass Roots

I've been a brother to sorrow  
I've been surrounded by gloom  
'Cause this hotel's got hot & cold runnin'  
Heartache in every room  
Checkin' out of here in the mornin'  
Even that will be too much time  
I'm gonna get up on a big white bird  
Waitin' after you with a line

Oh the runway is the one way to get back to you  
Oh the runway is the one way to get back to you  
If I have to beg, steal or borrow  
I'll be seein' you, girl, tomorrow  
Oh the runway is the one way to get back to you

TV's gonna get to me  
Haven't heard a bit of good news  
Who needs that when I'm sittin' here chewin'  
I'm goin' struttin' in blues  
I threw 'way to wake me at 7  
Don't you wait a minute too long  
I'm gonna leave with a one-way ticket  
Goin' back to where I belong
