## **Two Divided By Love**

## **The Grass Roots**

Two divided by love Can only be one And one is a lonely number Two divided by love Can only be sad Can only hurt one another

Every night your tears come down And I know how you're feelin' inside Loneliness is no one's friend I've been takin' the same kind of ride And that just shouldn't be If you're still lovin' me Come on baby

Two divided by love Can only be one And one is a lonely number Two divided by love Can only be sad Can only hurt one another

I'd by lyin' to myself If I said I was gettin' along All I do is think of you and I know That it's here you belong Come on girl make your way We can start from today Puttin' it back together 'cause

Two divided by love Can only be one And one is a lonely number Two divided by love Can only be sad Can only hurt one another

Take away the rain from a flower And the flower just can't grow Take away you from me girl Out of my mind Out of my mind Out of my mind Out of my mind

Two divided by love Can only be sad Can only be broken hearted Two divided and blue Should take what they had And go back to where they started

Two divided by love Can only be one And one is a lonely number Two divided by love Can only be sad Can only hurt one another
