

## Where Were You When I Needed You

The Grass Roots

Don't bother crying, don't bother calling  
It's all over now, no use in stalling  
The love once I felt  
I don't feel anymore for you  
This time I'll even open the door for you  
You walked out when I was down  
Well, now I'm well off  
And look, look who's coming 'round

Where were you when I needed ya  
Where were you when I wanted ya  
Where were you when I needed ya  
Where?

You're looking good  
It's hard to fight it  
There's no use explaining  
I've already decided  
That living with you  
Is worse than without you  
I won't spend a lifetime a-worrying about you  
Things get rough and you disappeared  
Now I'm back on my feet  
And look, look who is standing there

Where were you when I needed ya  
Where were you when I wanted ya  
Where were you when I needed ya  
Where?

You were so young and you were so wild  
I knew you were nobody's innocent child  
The first day I saw you  
You really got to me  
I thought I could change you  
What good did it to me?  
Things got rough and you couldn't wait  
Now you're tripping back  
But babe, babe it's too late

Where were you when I needed ya  
Where were you when I wanted ya  
Where were you when I needed ya  
Where?
