

Trampoline

The Grates

Use your bed like a trampoline, I said...higher, higher
Just for love if you know what I mean, I said higher, higher
I'm what you desire, sire
I'm gonna take you higher, higher

Mm, use your car like a hot machine, I said higher, higher
Just for love if you know what I mean, I said higher, higher
I'm what you desire, sire
I'm gonna take you higher, higher

Higher, high, high
Higher, higher
Higher, high, high
Higher, higher

Higher, high, high
Higher
Higher
Higher

Higher
Higher
Higher
Higher

Higher
Higher
Higher
Higher

Higher
High, higher
