

Every Knee Shall Bow

The Great Commission

And every knee shall bow.
As we proclaim Your name.
And every knee shall bow.
Proclaim.

"What happened here?"
"Judgement Day happened."

Open your eyes.
Open your ears.
The day of judgment is coming.
The end is near.

He will come like a thief in the night.
My King is here.
He is coming to take us home.
So we cry out to the sky.

Savior! Father! Faithful!
King of Kings!
Savior! Father! Faithful!
KING OF KINGS!

Open your eyes.
Open your ears.
The day of judgment is coming.
The end is near.

He will come like a thief in the night.
My King is here.
He is coming to take us home.
So we cry out to the sky.

This is our generation.
And we will show no fear.
And we are building an army.
Lord, hear our prayers.

And every knee shall bow.
As we proclaim Your name.
And every knee shall bow.
Proclaim.
This is our generation.
And we will show no fear.
We are building an army.
Lord, hear our prayers.
