

## Preaching To The Choir

### The Great Commission

We sing songs of revival with nothing in our hearts.  
We sing songs of His praise but only live for Him on Sunday's.  
We must change!  
Some say Christian's don't tell lies,  
They just sing them on Sunday mornings.  
Sunday Mornings.  
Some say Christian's don't tell lies,  
They just sing them on Sunday mornings.  
They just sing them on Sunday mornings.  
I thought the sick need the doctor not the healthy,  
I thought the church was the body not a building.  
We must change.
