

Shine Like The Sun

The Greenhornes

Nothing I do will break this spell
I'm walking through a dream
I don't know what's come over me
Lost in trance like a moth to the flame

Of your eyes, oh
Shines like the sun in the flame
Of your eyes, oh
Shines like the sun

There's a mist all around me
I wonder if I will ever wake
I don't know what's come over me
Lost in trance like a moth to the flame

Of your eyes, oh
Shines like the sun in the flame
Of your eyes, oh
Shines like the sun

Please say the words
That I long to hear
And let me know
That you will be mine

Nothing I do will break this spell
I'm walking through a dream
I don't know what's come over me
Lost in trance like a moth to the flame

Of your eyes, oh
Shines like the sun in the flame
Of your eyes, oh
Shines like the sun in the flame

Of your eyes, oh
Shines like the sun, oh
Oh, oh, oh
Oh, oh, oh
