

I picked myself above the ground  
I had an epiphany, babe, a realization  
Babe I knew that I couldn't stay down  
I had to find a way to be brave

I'll forgive you friend  
Forgive me and we can be in love again

We was children, have lived our lives since then  
I've grown strong enough and I got wise  
Emptiness has opened up my eyes  
Now I see that I want you back in my life

I'll forgive you friend  
Forgive me and we can be in love again

And if your heart thinks I'm a crock of shit  
Then I must submit and you can follow it  
And I will follow you, my love  
I'll just be a friend  
Although I know that means I'll never see you again

I'll forgive you friend  
Forgive me and we can be in love again  
I'll forgive you friend  
Forgive me

I'm not asking you to forget  
I'm only asking to be forgiven  
So keep your memories good or bad  
And your head, I don't care about that  
It's your heart I wanna live in

I'll forgive you friend  
Forgive me and we can be in love again

I picked myself above the ground  
I had an epiphany, babe, a realization  
Babe I knew that I couldn't stay down  
I had to find a way to be brave

I'll forgive you friend  
Forgive me and we can be in love again  
I'll forgive you friend  
Forgive me
