

## Dancin' Fool

The Guess Who

It was a Saturday night without a whole lot shakin'  
Ooh my, ooh my, I was bored  
I had my best duds on, it was a chance worth takin'  
Somehow I was still ignored

Been too long since I been shy and lonely  
Ooh, but that's okay  
Need some gal to be my one and only  
Ooh

I got a wink and a smile from a flashy filly  
Ooh my, ooh my, she looked grand  
She said, "I like your style, now don't go actin' silly"  
Ooh my, ooh, she grabbed my hand

Never thought that I could shake and groove it  
Now I'm a dancin' fool  
Dug my feet 'cause they could really move it  
Ooh

She got the message across and me and her got kissin'  
Ooh my, ooh my, havin' fun  
I know that this is the thing that I been really missin'  
One more dance has just begun

No more time for feelin' shy and lonely  
Now I'm a dancin' fool  
Found some gal to be my one and only  
Ooh, I'm a dancin' fool  
Been too long since I been shy and lonely  
Now I'm a dancin' fool (I'm a dancin' fool, I'm a dancer)  
Been too long since I been shy and lonely  
Now I'm a dancin' fool (I'm a dancin' fool, I'm a dancer)  
Been too long, been too long  
Now I'm a dancin' fool  
Been too long since I been shy and lonely  
Now I'm a dancin' fool  
Been too long, been too long  
Now I'm a dancin' fool (I'm a dancin' fool, I'm a dancer)  
Been too long since I been shy and lonely  
Now I'm a dancin' fool
