The Guess Who

It was a Saturday night without a whole lot shakin' Ooh my, ooh my, I was bored I had my best duds on, it was a chance worth takin' Somehow I was still ignored

Been too long since I been shy and lonely Ooh, but that's okay Need some gal to be my one and only Ooh

I got a wink and a smile from a flashy filly Ooh my, ooh my, she looked grand She said, "I like your style, now don't go actin' silly" Ooh my, ooh, she grabbed my hand

Never thought that I could shake and groove it Now I'm a dancin' fool Dug my feet 'cause they could really move it Ooh

She got the message across and me and her got kissin' Ooh my, ooh my, havin' fun I know that this is the thing that I been really missin' One more dance has just begun

No more time for feelin' shy and lonely Now I'm a dancin' fool Found some gal to be my one and only Ooh, I'm a dancin' fool Been too long since I been shy and lonely Now I'm a dancin' fool (I'm a dancin' fool, I'm a dancer) Been too long since I been shy and lonely Now I'm a dancin' fool (I'm a dancin' fool, I'm a dancer) Been too long, been too long Now I'm a dancin' fool Been too long since I been shy and lonely Now I'm a dancin' fool Been too long, been too long Now I'm a dancin' fool (I'm a dancin' fool, I'm a dancer) Been too long since I been shy and lonely Now I'm a dancin' fool
