

# Don't You Want Me

The Guess Who

Don't you want me  
Don't you want me  
Baby, listen 'deed I do

Tell me lovin' things and the sounds I crave  
Never let the chance roll by  
But you'll be hanging from a Sycamore tree  
If you're dancin' with another guy

Well, don't you want me  
Don't you want me  
Baby, listen 'deed I do

I'll kill your kid sister, I'll murder your dad  
I'll rip the lashes off your eye,  
I'll slaughter all your cattle and I'll burn your crops  
If you're dancin' with another guy.

Don't you want me  
Don't you want me  
Baby, listen 'deed I do
