

My Own Way To Rock

The Guess Who

Revin' up my engine like a 747 baby Shiny lanky long and lean
What a scene I'm gonna take my silver dollar Change it into quarters
Shove 'em in the record machine Baby said she loved me
Then she went and left me Causin such an awful scene
What a scene I'm gonna take my silver dollar
Change it into quarters Shove 'em in the record machine
'Cause I got my own way to rock I got my own way to roll
And when you're walkin that walk It's good for your soul
'Cause I got my own way to rock I got my own way to roll
And when you're walkin that walk It's good for your soul
Bee bop a lula babe Wake up little Susie Yes it's me and I'm in love again
Come on lover, got a hole lotta shakin I like it like that yea
