

# No Sugar Tonight

The Guess Who

Lonely feeling deep inside  
Find a corner where I can hide  
Silent footsteps crowding me  
Sudden darkness but I can see

No sugar tonight in my coffee  
No sugar tonight in my tea  
No sugar to stand beside me  
No sugar to run with me

Dat'n-doo-dow-dow-dat'n-doo-dow...

In the silence of her mind  
Quiet movements where I can find  
Grabbing for me with her eyes  
Now I'm falling from her skies

No sugar tonight in my coffee  
No sugar tonight in my tea  
No sugar to stand beside me  
No sugar to run with me

Dat'n-doo-dow-dow-dat'n-doo-dow...

Jocko says "Yes," and I believe him  
When we talk about the things I say  
She hasn't got the faith or the guts to leave him  
When they're standing in each other's way  
You're tripping back now to places you've been to  
You wonder what you're gonna find  
You know you've been wrong but it won't be long  
Before you leave 'em all far behind

'Cause it's the new Mother Nature taking over  
It's the new Splendid lady come to call  
It's the new Mother Nature taking over  
She's gettin' us all  
She's gettin' us all.

Jocko said "No," when I came back last time  
It's looking like I lost a friend  
No use callin' 'cause the sky is fallin'  
And I'm getting pretty near the end  
A smoke-filled room in a corner basement  
The situation must be right  
A bag of goodies and a bottle of wine  
We're gonna get it on right tonight

'Cause it's the new Mother Nature taking over  
It's the new Splendid Lady come to call  
It's the new Mother Nature taking over  
She's gettin' us all  
She's getting' us all...

Jocko says "Yes," and I believe him  
When we talk about the things I say  
She hasn't got the faith or the guts to leave him

When they're standing in each other's way  
You're tripping back now to places you've been to  
You wonder what you're gonna find  
You know you've been wrong but it won't be long  
Before you leave 'em all far behind

'Cause it's the new Mother Nature taking over  
It's the new Splendid lady come to call  
It's the new Mother Nature taking over  
She's gettin' us all  
She's gettin' us all.
