She's Come Undone

The Guess Who

She's come undone She didn't know what she was headed for And when I found what she was headed for It was too late She's come undone She found a mountain that was far too high And when she found out she couldn't fly It was too late It's too late She's gone too far She's lost the sun She's come undone She wanted truth but all she got was lies Came the time to realize And it was too late She's come undone She didn't know what she was headed for And when I found what she was headed for Mama, it was too late It's too late She's gone too far She's lost the sun She's come undone Too many mountains and not enough stairs to climb Too many churches and not enough truth Too many people and not enough eyes to see Too many lives to lead and not enough time It's too late She's gone too far She's lost the sun She's come undone
