We're Coming To Dinner

The Guess Who

Hey all you mothers Don't be putting us down You'd better run and tell the others We'll be coming around your house tonight So get the best things polished up and make them shine

We're coming to dine You'd better believe it We're coming to dine

Polished up all our leathers Even combed our hair Thought about conversation But just wait 'till we get there tonight We'll be such fascinating guests Food and wine

We're coming to dine Whether you like it or not We're coming to dine

Hey all you mothers Don't be putting us down You'd better run and tell the others We'll be coming around your house tonight So get the best things polished up and make them shine

We're coming to dine You'd better believe it We're coming to dine Whether you like it or not We're coming to dine

Oh yeah oh yeah we're coming to dine.
