## **Preaching The Blues**

## The Gun Club

I was up this mornin', blues walkin' like a man I was up this mornin', blues walkin' like a man Worried blues, give me your right hand

Ah, blues fell mama's child, tore me all upside down Blues fell mama's child, tore me all upside down Travel on ol' Jeffrey Lee, ya know Can't seem to turn him around

So preach the blues Preach the blues now

Blues is low down shaking chill Blues is low down shaking chill You ain't never had them I don't believe you will

Blues is an achin' old heart disease Blues is an achin' old heart disease It's like consumption, baby Killin' me by degrees

So preach the blues Preach the blues now

I had religion, Lord, this day, very day
I had religion, Lord, this very day
But the womens and the whiskey
They would not let me pray

Gonna get me religion
Gonna join the Baptist church
Gonna get me religion
Gonna join the Baptist church
Gonna be a Baptist preacher
So I don't have to work

And preach the blues And preach the blues now
