

## Ultimate Evil

The Hat

Blood. The symbol of life, Bones.  
The symbol of death. My visions. My  
visions Coming from unknown sorces in the  
mind. Cancel life. Intervene in creation.

During my revelation, seeing  
earth as hell - And the mother  
of poison life. I exalt myself  
to demon.

That is the nature of my being.

Spit - Death - Upon - Life.  
I see your smiling face. I see  
your closed eyes. I see your  
life demolished.

My mind keeps burning  
with passion and revolt. My  
perversions the symbol of the  
human race. Now watch the  
fall of creation.

A circle of death will eat the earth.

I am the silencer the  
adversery. Give me your  
pride in life. Watch - Death  
- Act. Now you can carve  
my demise into your skin.

And what a beautiful  
sight that is. When you  
now see the joy in others.  
My presence will make you  
act insain, insain. You will  
serve in my name. They  
will scream, and they will  
cry, when your mind starts  
burning.

Now you see the nature of  
our species. And what a sight  
that is.....
