

A last minute decision.  
Lay it all on the line.  
Glasspipe recollections of antichrist.  
The nominees all on fire.

Cash money upfront.  
We're all part of the scam.  
Dead stars at the ends of a rope.  
A fake miracle to behold.

Life is bright!  
It'll take out your eyes!  
Burtn these lies!  
Cut away the ties!

Ninety nine, ninety nine knives  
Ninety nine knives inside  
Ninety nine, ninety nine  
Ninety nine knives inside

Seperate the symptoms,  
From the real disease.  
A pale ghostlike rendition of consequence.  
The irony covers the crime.

Reenact the trauma.  
A safe pattern to fuse.  
Preteens giving head in the backroom.  
A family built on abuse.

Repeat chorus.

No one gets out alive
