

One two three four!  
If you can't hold you won, don't point  
your fucking finger at me!  
Cough, spit, scream, HATRED,,  
all inclusive, and yes,  
it's a question  
of class and experience  
consider yourself dismissed.

Lesson A: This lifestyle is  
not for sale.  
Five it up, again, and again.  
And that's how we do it!

To crush  
You must love.

No false pride  
No fashion  
No fake set of values  
A primal force-to completely absorb.  
Transforming, serpent-like.  
Infernal and true

Lesson B: Imitation equals failure  
Surrender to this-  
and that's how we do it!

To crush  
You must love.

Character grows from pain.  
Sealed and approved!  
And the strength to overcome-  
Trial by fire!  
No slackness.  
No wasted chase.  
This is the discipline

To crush  
You must love.
