

Same Ol'

The Heavy

I believe
If a man could fly
Trying to escape from our lies
And the truth
Would never die
It would be just like I remembered
When you
Swallowed my pride

When you were talking that
Same ol'
And kept working that
Same ol
And kept making that
Same ol'
Ol'
Fool out of me
All that Same ol'
Everyday it's that
Same ol'
You keep making the same ol'
Ol'
Fool out of me

But you see that I can sleep
I don't know just how you do it
Must be counting more than sheep
And it's time
For you and me
To leave this fairy tale we fucked
'Cos we, both need to breathe

And I know it's not enough
But your love is like a drug
I know it's not enough
But your love is like a drug

Know it's not enough
Your love is like a drug
Your love is like
Like a
But you just keep talking that

Same ol'
And kept working that
Same ol
And kept making that
Same ol'
Ol'
Fool out of me
All that Same ol'
Everyday it's that
Same ol'
You keep making the same ol'
Ol'
Fool out of me
