

# You Don't Know

The Heavy

Maybe you won't satisfy me  
And maybe you don't see what I see  
But baby you got your claws inside me  
Can't deny it, can't disguise it  
Baby won't you help me out  
Baby won't you help me now

You don't know what it's like  
Oh you don't know what it's like  
You don't know what it's like  
Believe me baby you don't know what it's like  
You don't know what it's like  
Oh you don't know what it's like  
The way I love you like I love you  
I can't even sleep at night

You don't know what it's like  
You don't know what it's like
