

Didn't Stop Us

The Hellcopters

They can't say what state we're in

They can't blame on what we spin

(Song)

'Cause it's fucked-up business scene

Where they want everything to be so clean, yeah

Well, I don't mind the pain

For the companies golden rain

'Cause we know how to do

And we don't care 'bout you

Tick tack tick tack boom

There's a bomb inside your room

And it's just about to explode in your face

By then we've won the go-go race

Well, I don't mind the pain

For the companies golden rain

'Cause we know how to do

And we don't care 'bout you

They didn't stop us

They can't stop us

They didn't stop us

Never, never, never, never, never, oh no

Oh yeah

Well, I don't mind the pain

For the companies golden rain

'Cause we know how to do

And we don't care 'bout you

They didn't stop us

They can't stop us

They didn't stop us

Never, never, never, never, never, oh no, no, no
