

# Disappointment Blues

The Hellacopters

Got shit when I wanted much  
I want you but you're so out of touch  
Want new but all I see is ancient  
I am so eager when I should be patient  
Shook up when I wanna get down  
I wanna fly but I just hit the ground  
Alright already I've had enough them  
Options lie before me but I can't get 'em up

I got a lot but is it what I wanted  
What was lookin' good turn out to disappoint me

I make turns when I wanna head straight  
I'm all done by the time it's too late  
I'm in love and I want something to do  
But when I do I take things out on you

I got worry, I got nothin' to say  
I wanted action but all I did was just to throw it away  
This is not what I wanted  
Ain't what I wanted to do  
Destination let down  
Now I got the disappointment blues
