

# Riot On The Rocks

The Hellacopters

Here I go now  
I'm on the prowl  
For plugged in, psyched out  
Fuel injected action

I'm gonna hit the lights now  
You gotta hear me growl  
Burnin' rubber  
Total satisfaction

I'm a live wire, yeah okay  
Go ahead punk make my day  
Look I don't beat clocks  
It's a riot on the rocks

Gotta get some kicks now  
Gas I devour  
Rockin' and rollin' over  
I'm the main attraction

I'm a live wire, yeah okay  
Go ahead punk make my day  
Look I don't beat clocks  
It's a riot on the rocks

I'm a live wire, yeah okay  
Go ahead punk make my day  
Look I don't beat clocks  
It's a riot on the rocks

Alright, okay  
Right now, oh yeah
