

Tab

The Hellcopters

Way too late to set things straight
Push too hard by keeping me waiting
Going down, no way up
No use in telling, you've been fucked

Slow motion shadows, no one around
Silence ringing with another sound
I got cities burning in my head
My mind, ghouls wanna get fed

Tab kinda makes you freak
Fucks up the way you speak
Creepy crawling sneak
Upon you drives you to a peak

Way too late to set things straight
Push too hard by keeping me waiting
Going down, no way up
No use in telling, you've been fucked

Tab kinda makes you freak
Fucks up the way you speak
Creepy crawling sneak
Upon you drives you to a peak
