The Higher

Though the shades are pinned down, I still can see inside your head. Your eyes, a proper end of darkness, still you're my day from left alive.

So say that you never had the chance to say goodbye. Please stay with me. Go on and stay just one more night, the sky has never been so bright. Please stay with me 'cause I'm left alone.

So paint me a picture of the last year, kiss me one time before you leave. And all right, but you don't have to wait for me. Don't wait, please wait.

So say that you never had the chance to say goodbye. Please stay with me. Go on and stay just one more night, the sky has never been so bright. Please stay with me 'cause I'm left alone.
