

Better Watch Your Back

The Hippos

The things you claim,
I can't accept the blame
Better watch your back
I'm gonna win this game
You try to phase me,
You can't phase me
I got you thinking that I feel no pain

But I feel it (4x)

Are you insane,
Enjoy inflicting pain
Better watch your back
I'm gonna ruin your name
Try to control me,
But I'm too strong you see
I got you thinking that I feel no pain

But I feel it (4x)

You try to bring me down
You can't bring me down
But I can bring you down
