Hate to Say I Told You So

The Hives

Do what I want cause I can and if I don't because I wanna be ignored by the stiff and the bored because I'm gonna. Spit and retrieve cause I give and receive because I wanna gonna get through your head what the mystery ma n said because I'm gonna. Hate to say I told you so. I do believe I told you so. Now it's all out and you knew cause I wanted to. Turn my back on the rot that's been planning the plot - because I'm qonna. No need for me to wait - because I wanna. No need two, three and too late - because I'm gonna. Hate to say I told you so. I do believe I told you so. Do what I please gonna spread the disease because I wanna gonna call all the shots for the "No"s and the "Not"s because I wanna. Ask me once I'll answer twice cause what I know I'll tell because I wanna. Sound device and lots of ice I'll spell my name out loud because I wanna, oh yeah?
