

## Oh Lord! When? How?

The Hives

He'll pick a moment he'll take a chance He'll  
invite us all to a fatal dance Such a man and  
such a mess - It's not an easy guess  
I know that look I know that face I'd better get  
ready to hunt and trace Bit by bit and on and  
on -And then he's gone

OH LORD! WHEN? HOW?

Such a major mess -It's not an easy guess

For a second or two he might appear It takes a  
second or less and he'll disappear Such a man  
and such a mess -It's not an easy guess
