

See Through Head

The Hives

I know what you're thinking
You got a mind and it's stinking
You know why?
You got a transparent cranium, a see through head
Oh oh oh oh oh
It doesn't mean a thing
Oh oh oh oh oh
It's just a paper ring
Oh oh oh oh oh
It doesn't mean a thing
I got thoughts in my head and i'm ready to sting
Oh oh oh oh oh
And now you come my way
Oh oh oh oh oh
I spot you from a mile away
Oh oh oh oh oh
So now you come my way
I got cutlery, got napkin, saltshaker pepper spray
You got a head
Gets you ahead
You got a head
A see-through head full of..
Oh oh oh oh oh
You thought you had it made
You wanna cut a piece of cake you gotta have a bit of blade
Oh oh oh oh oh
I'm not so easily lead
Oh oh oh oh oh
You pick up but the line is dead
Oh oh oh oh oh
I'm not so easily lead
You always end up losing 'cause you got a see-through head
You got a head
Gets you ahead
You got a head
A see-through head full of..
So what's the matter
It's you, yeah you
It's you just you and your see-through head
You got a head
Gets you ahead
A see-through head full of..
You got a head
A see-through head full of..
