I know that it has been a long time coming You bought your tickets, you waited in line You were walking and now you find yourself running To get closer to the giant neon sign

Allow me to Give you a clue

You're looking at a black and white Seeing our name in lights Gonna make me feel all right Cause baby we're here all night

We rule the world, this is our world (2x) T.H.E.H.I.V.E.S. (4x)

You hold your breath and now it's silent
The humming of the amps is all you hear
Introducing for the fourth time running
Cause if you don't know we'll make it very clear

oooooohhhh
You know it's true

You're looking at a black and white Seeing our name in lights Gonna make me feel all right Cause baby we're here all night

We rule the world, this is our world (2x) T.H.E.H.I.V.E.S. (4x)

When you're all ripped up around a quarter to ten Gonna piece yo back together by eleven and then When you sweated it out and you're all soakin wet The we'll do it again And when you're all ripped up around a quarter to ten Gonna piece yo back together by eleven and then When you sweated it out and you're all soakin wet The we'll do it again

We rule the world, this is our world (2x) T.H.E.H.I.V.E.S. (4x)
