Do you like American music? I like American music Don't you like American music, baby? I want you to hold me I want your arms around me I want you to hold me, baby Did you do too many drugs? I did too many drugs Did you do too many drugs, too, baby? You were born too late I was born too soon But every time I look at that ugly moon It reminds me of you It reminds me of you ooh ooh I need a date to the prom Would you like to come along? But nobody would go to the prom with me, baby They didn't like American music They never heard American music They didn't know the music was in my soul, baby You were born too soon I was born too late But every time I look at that ugly lake It reminds me of me It reminds me of me Do you like American music? We like American music I like American music, baby Do you like American music? We like all kinds of music But I like American music best, baby You were born too late And I was born too late But every time I look at that ugly lake It reminds me of me It reminds me of me Do you like American music? It reminds me of me Do you like American music?
