

# Choices

The Hoosiers

In the morning  
I could take the burning sun  
I could be the only  
warning but I'm not the only one  
So forgive me  
Cause its more then i can bear  
In demand I make  
my mind up by deciding not to care

Stop giving me choices  
Stop giving me choices

In the victim  
of this day and age  
I've forgotten how to feel  
I've forgotten how to change

So I surrender  
to the apple of my eye  
I surrender to the wind  
I will let the wind decide

Stop giving me choices  
Stop giving me choices  
Stop giving me choices  
Stop giving me choices

I could break it  
I could break it till it hurts  
I could whatever words you say  
pretend I never heard

So forgive me  
Shouldn't be so hard  
It's they way I'm put together  
so your never geting past

Can't we talk this through  
actions are not what I'm used to  
Can't we talk this through  
actions are not what I'm used to

Stop giving me choices  
Stop giving me choices  
Stop giving me choices  
Stop giving me choices  
(I surrender)  
Stop giving me choices  
Stop giving me choices  
(just forgive me)  
Stop giving me choices  
Stop giving me choices

Without friction  
we would float up into space  
Maybe you could be the friction  
that will keep me in my place

In the morning  
I could take the burning sun  
I could be the only  
warning but I'm not the only one
