

Choices

The Hoosiers

In the morning
I could take the burning sun
I could be the only
warning but I'm not the only one
So forgive me
Cause its more then i can bear
In demand I make
my mind up by deciding not to care

Stop giving me choices
Stop giving me choices

In the victim
of this day and age
I've forgotten how to feel
I've forgotten how to change

So I surrender
to the apple of my eye
I surrender to the wind
I will let the wind decide

Stop giving me choices
Stop giving me choices
Stop giving me choices
Stop giving me choices

I could break it
I could break it till it hurts
I could whatever words you say
pretend I never heard

So forgive me
Shouldn't be so hard
It's they way I'm put together
so your never geting past

Can't we talk this through
actions are not what I'm used to
Can't we talk this through
actions are not what I'm used to

Stop giving me choices
Stop giving me choices
Stop giving me choices
Stop giving me choices
(I surrender)
Stop giving me choices
Stop giving me choices
(just forgive me)
Stop giving me choices
Stop giving me choices

Without friction
we would float up into space
Maybe you could be the friction
that will keep me in my place

In the morning
I could take the burning sun
I could be the only
warning but I'm not the only one
