

## Leech Bloody Leech

## The Hope Conspiracy

Can't seem to get this  
Through your head  
A thousand fuck you's  
never said  
just what i need to say to you  
I see the rats  
turning all the screws

You and I  
Let it die

Come clean fade away  
I'll tell you now  
Afraid to bleed this?  
I'll show you how
