

# Love Action (I Believe in Love)

The Human League

When you're in love  
You know you're in love  
No matter what you try to do  
You might as well resign yourself  
To what you're going through  
If you're a hard man or if you're a child  
It still might get to you  
Don't kid yourself you've seen it all before  
A million mouths have said that too

I've had my hard times in the past  
I've been a husband and a lover too  
I've lain alone and cried at night  
Over what love made me do  
And the loved ones who let me down  
And couldn't share my point of view  
But this is Phil talking  
I want to tell you  
What I've found to be true

I love your love action  
Lust's just a distraction  
No talking, just looking  
Watching your love action

I believe, I believe what the old man said  
Though I know that there's no lord above  
I believe in me, I believe in you  
And you know I believe in love  
I believe in truth though I lie a lot  
I feel the pain from the push and shove  
No matter what you put me through  
I'll still believe in love  
And I say

I love your love action  
Lust's just a distraction  
No talking, just looking  
Watching your love action

I love your love action  
Lust's just a distraction  
No talking, just looking  
Watching your love action

I love your love action  
Lust's just a distraction  
No talking - just looking  
Watching your love action
