

Men Are Dreamers

The Human League

I saw my baby. I said I let you down. I didn't mean to. I was only messing 'round. You know that men are dreamers. And it's all over now. It's all over now. It's all over now. All over now. It's all over.

Now we're together. Forget about the pain. I'm yours forever. Just take me home again. But she said men are dreamers. And it's all over now. How can you say. Forget yesterday? All men are dreamers.

Now we're together. Forget about the pain. I'm yours forever. Just take me home again. But I say men are dreamers. And it's all over now.

How can you say (can I say?) Forget yesterday? (think about the future). All men are dreamers (men are dreamers). Smile through the pain? (through the pain). It's only a game? (a silly game). All men are dreamers (men are dreamers).

I never meant to hurt you. Okay now we're together (can I say?). Don't mean to hurt you, baby. It's okay we're together (think about the future). I never meant to hurt you (now we're together). Okay now we're together. Don't mean to hurt you, baby (give me a future, come on, give me a future). It's okay we're together.

How can you say (can I say?) Forget yesterday? (give me a future). All men are dreamers (men are dreamers). Smile through the pain? (through the pain). It's only a game? (give me a future). All men are dreamers (men are dreamers).
