

Only After Dark

The Human League

I feel my spirit fly
Only after dark - ahh
I kiss the world goodbye
Only after dark - ahh

Fight with the city lights
Only after dark - ahh
Run, I'd like to run away
Only after dark - ahh

Won't you disappear into midnight with me
Why don't you come, why don't you come, why don't you fly, fly,
fly with
Sweet elusive Fate ,will be our company

Bring out the vamp in me
Only after dark - ahh
Moon, sinful as can be
Only after dark - ahh

It's wrong to feel so free
Only after dark - ahh
Only you know it can be
Only after dark - ahh

Won't you disappear into midnight with me
Why don't you come, why don't you come, why don't you fly, fly,
fly with
Sweet elusive In Fade , will be our company
